Don't be shy about coming to Block Times! The Pickleball Club and Committee are constantly assessing court usage in order to make the best decisions they can about court availability. The more you play, the better you will get!

If you'd like to play at a different time or with your own group, you can also reserve a court 72 hours in advance. For reservations, the Pickleball Committee requests and encourages all members to limit their playing time to 2 hours on 2 Courts during the prime playing times of 8:00 AM – 12:00 PM. Please make sure you release a reserved court 24 hours in advance if you are unable to field a full complement of players.
