

KEOWEE KEY PICKLEBALL CLUB WEEKLY UPDATE

President's Corner

Hi Pickle Friends,

Last Thursday night, the city of Seneca put the spotlight on pickleball during Jazz on the Alley. Pickleball players from Seneca were joined by players from Keowee Key and other surrounding clubs to demonstrate the sport on a temporary court set up in Ram Cat Alley. A picture from the event shows Phyllis Raver and Karen Daniels who were volunteers at the event. In all there were close to 40 players drawing in spectators from Jazz on the Alley attendees. According to Dave Hartman, it was a “nice crowd, nice evening”.

The Pickleball Committee recently approved a new block time for 'B' players. The new time is 8-10 am on Tuesday morning and is followed by A/B play from 10 am-noon. With the days shortening and weather getting cooler, we will be discussing the timing for further changes in our block time schedule. Stay tuned!

Player Development

Thought for the day: **What are windshield wiper dinks? What's the implication for your pickleball play?** Let's talk about it out on the courts.

The 10/26 Player Development session will feature some challenging Forehand & Backhand skill work, including:

Down the Line and Cross Court shots, Windshield Wiper Dinks and Offensive Lobs.

We look forward to seeing you.

For those of you who are ambitious - our friend Robert Elliott sent this to us:
